CEMETERY PRINTABLES

Bats:

- Cut out each figure. Use a craft knife for fine details.
- Fold the sides together carefully where indicated.
- Before adding glue, put a short piece of thread between the front and back sides to make hanging easier.
- Use a marker to clean up any white spaces, if needed.

Tombstones:

- Cut out the entire figure.
- Make a small cut on the center line between the two green tabs.
- Fold the two halves together and glue.
- Fold the green tabs up to serve as a base for each piece.
